INFORMATION ABOUT CANCELLATION OF THE PROCEDURE

*re. the procedure for the delivery of two submersible water loggers with sensor for pCO₂ recording
(drop-in membrane) - III*

The Contracting Authority – the Institute of Oceanology of the Polish Academy of Science – informs there were no bid offers submitted within the deadline in the procedure for the delivery of two submersible water loggers with sensor for pCO₂ recording (drop-in membrane).

Due to reasons set above, the Contracting Authority cancels the procedure on basis of chapter VII section 25 letter a) of Quotation Request Notice.
